W. Fajko, dnia 16 czerwca 1893

The first of these is the fact that the
 number of cases of smallpox in the
 United States has been steadily
 increasing since 1880. This is
 due to the fact that the disease
 is now being introduced from
 foreign countries. The second
 fact is that the disease is now
 being introduced from the
 West Indies. The third fact
 is that the disease is now
 being introduced from the
 East Indies. The fourth fact
 is that the disease is now
 being introduced from the
 South America. The fifth fact
 is that the disease is now
 being introduced from the
 Africa. The sixth fact is
 that the disease is now
 being introduced from the
 Asia. The seventh fact is
 that the disease is now
 being introduced from the
 Europe. The eighth fact is
 that the disease is now
 being introduced from the
 Australia. The ninth fact
 is that the disease is now
 being introduced from the
 New Zealand. The tenth fact
 is that the disease is now
 being introduced from the
 South Africa. The eleventh
 fact is that the disease is
 now being introduced from the
 North Africa. The twelfth
 fact is that the disease is
 now being introduced from the
 Middle East. The thirteenth
 fact is that the disease is
 now being introduced from the
 Central Asia. The fourteenth
 fact is that the disease is
 now being introduced from the
 South Asia. The fifteenth
 fact is that the disease is
 now being introduced from the
 North Asia. The sixteenth
 fact is that the disease is
 now being introduced from the
 East Asia. The seventeenth
 fact is that the disease is
 now being introduced from the
 South East Asia. The eighteenth
 fact is that the disease is
 now being introduced from the
 North East Asia. The nineteenth
 fact is that the disease is
 now being introduced from the
 West Asia. The twentieth
 fact is that the disease is
 now being introduced from the
 South West Asia. The twenty-first
 fact is that the disease is
 now being introduced from the
 North West Asia. The twenty-second
 fact is that the disease is
 now being introduced from the
 East Africa. The twenty-third
 fact is that the disease is
 now being introduced from the
 South Africa. The twenty-fourth
 fact is that the disease is
 now being introduced from the
 North Africa. The twenty-fifth
 fact is that the disease is
 now being introduced from the
 West Africa. The twenty-sixth
 fact is that the disease is
 now being introduced from the
 South West Africa. The twenty-seventh
 fact is that the disease is
 now being introduced from the
 North West Africa. The twenty-eighth
 fact is that the disease is
 now being introduced from the
 East Africa. The twenty-ninth
 fact is that the disease is
 now being introduced from the
 South Africa. The thirtieth
 fact is that the disease is
 now being introduced from the
 North Africa. The thirty-first
 fact is that the disease is
 now being introduced from the
 West Africa. The thirty-second
 fact is that the disease is
 now being introduced from the
 South West Africa. The thirty-third
 fact is that the disease is
 now being introduced from the
 North West Africa. The thirty-fourth
 fact is that the disease is
 now being introduced from the
 East Africa. The thirty-fifth
 fact is that the disease is
 now being introduced from the
 South Africa. The thirty-sixth
 fact is that the disease is
 now being introduced from the
 North Africa. The thirty-seventh
 fact is that the disease is
 now being introduced from the
 West Africa. The thirty-eighth
 fact is that the disease is
 now being introduced from the
 South West Africa. The thirty-ninth
 fact is that the disease is
 now being introduced from the
 North West Africa. The fortieth
 fact is that the disease is
 now being introduced from the
 East Africa. The forty-first
 fact is that the disease is
 now being introduced from the
 South Africa. The forty-second
 fact is that the disease is
 now being introduced from the
 North Africa. The forty-third
 fact is that the disease is
 now being introduced from the
 West Africa. The forty-fourth
 fact is that the disease is
 now being introduced from the
 South West Africa. The forty-fifth
 fact is that the disease is
 now being introduced from the
 North West Africa. The forty-sixth
 fact is that the disease is
 now being introduced from the
 East Africa. The forty-seventh
 fact is that the disease is
 now being introduced from the
 South Africa. The forty-eighth
 fact is that the disease is
 now being introduced from the
 North Africa. The forty-ninth
 fact is that the disease is
 now being introduced from the
 West Africa. The fiftieth
 fact is that the disease is
 now being introduced from the
 South West Africa.
