Die A. Januarii. Anno 1542.

The first thing I did was to  
 go to the office and see  
 what was going on. I found  
 everything in a state of  
 confusion. The papers were  
 all over the place and  
 I had to spend some time  
 before I could get any  
 idea of what was  
 really going on. I  
 then went to the  
 bank and saw  
 the manager. He  
 told me that  
 the money was  
 all gone and  
 that he was  
 sorry to hear  
 of it. I then  
 went to the  
 police and  
 reported the  
 matter. They  
 took my name  
 and address and  
 gave me a  
 receipt. I then  
 went home and  
 thought about  
 the matter for  
 some time. I  
 finally decided  
 to write to  
 the manager  
 and ask him  
 to return the  
 money. I  
 received his  
 answer the  
 next day. He  
 said that he  
 was sorry but  
 that he could  
 not return the  
 money. I was  
 very disappointed  
 but I had  
 no other  
 recourse. I  
 then went to  
 the court and  
 filed a  
 suit against  
 the manager.  
 The case was  
 heard and the  
 judge ruled  
 in my favor.  
 The manager  
 was ordered  
 to return the  
 money. I  
 received it  
 the next day  
 and was  
 very happy.  
 I then went  
 to the office  
 and saw the  
 manager. He  
 said that he  
 was sorry  
 that he had  
 caused me  
 so much  
 trouble. I  
 told him that  
 I was  
 glad to hear  
 that he was  
 sorry. I then  
 went home  
 and thought
