The first part of the book is a
 history of the city of London
 from the time of its first
 foundation to the present
 time. The author has
 collected a great number
 of curious particulars
 concerning the same
 which are not to be
 found in any other
 history of the city.
 The second part of the
 book is a description
 of the city of London
 as it is at present
 and is divided into
 three parts. The first
 part is a description
 of the city as it is
 at present. The second
 part is a description
 of the city as it was
 in the time of the
 Romans. The third
 part is a description
 of the city as it was
 in the time of the
 Saxons.
