Anno Domini mille:  
 simo quingentesimo Decimosexto.

The first thing I did was to  
 go to the office and see  
 what was going on. I found  
 everything in a state of  
 confusion. The papers were  
 all over the place and  
 nobody seemed to know  
 what they were doing. I  
 tried to get a few things  
 straightened out but it  
 was no use. The men  
 were all so busy that  
 they didn't have time  
 to stop and think. I  
 was forced to do the best  
 I could. I had to get  
 the papers in order and  
 get the men to work.  
 It was a terrible  
 experience. I never  
 want to go through  
 it again.
